

Save up to \$15,000 when you upgrade to Vision with Vision EHR

Until September 30, 2010, SourceMedical will waive **ALL** management system migration costs when AdvantX or SurgiSource clients purchase Vision EHR as part of their migration configuration. This limited time offer provides your facility with the following services at no cost to you:

- ◆ On-site training, classroom and web-based training
- ◆ Project management
- ◆ Database preparation
- ◆ EMC set-up

In addition to these savings, SourceMedical has several pricing options which can lower your up-front capital expenditures and decrease your overall I.T. infrastructure costs.

- ◆ **Finance Options** – Finance your software investment over 36 months
- ◆ **Monthly Subscription Pricing** – Minimal up-front investment with affordable monthly payments
- ◆ **Monthly Remote Hosting Options** – Add remote hosting to subscription pricing and eliminate the need for server upgrades and costly I.T. support
- ◆ **Vision EHR Compliance Guarantee** – Reduces the investment risk of purchasing an EHR by guaranteeing our Vision EHR software will meet the Office of the National Coordinator for Health Information Technology (ONC) requirements

Vision and Vision EHR can help your facility:

- ◆ Synchronize it's clinical and management needs into a single platform resulting in rapid adoption and higher productivity
- ◆ Enhance patient care with automated clinical alerts
- ◆ Increase staff efficiency with specialty-driven Electronic Health Record templates
- ◆ Maximize case reimbursement with our suite of revenue cycle management products
- ◆ Control costs with our award-winning inventory manager
- ◆ Increase facility utilization by monitoring physician and patient satisfaction
- ◆ Deploy physician and patient web portals to streamline your facility's clinical and administrative workflow

"To successfully compete in the fast-paced ASC industry, you have to be on the cutting edge of technology, or you are going to lose. Our cutting edge is Vision."

- Bonnie Brady, Administrator
